

New York April 13.<sup>th</sup> 1853.

Dr Sir

I have the pleasure to acknowledge receipt of your kind favor of the 11<sup>th</sup> inst, and for which please accept my thanks. I have now a large number of excellent testimonials (from Prof.<sup>s</sup> Silberman, Horsford, Torrey, Elliot, Morfit, Booth, S. H. B. Morse) and with others which I expect to receive from distant friends I hope to be successful in my application. But if the appointment is to be a political one, I have no hopes of success. If I can be of service to you in any way, in this city, I assure you that I shall be most happy to reciprocate the favor you have done for me.

Yours most truly

Edward M. Hunt
